JOHN R LINKOSKY

To Whom It May Concern:

John Linkosky is a patient of mine who is currently being evaluated for medical problems associated with his vestibular system, hearing, and voice. Because of these conditions, Mr. Linkosky will be unable to sit for a deposition for the foreseeable future.

Sincerely,

A handwritten signature in dark ink, appearing to read "Richard A. Gobao". The signature is fluid and cursive, with a large initial "R" and "G".
